As a Sustaining Member you are entitled to an entry in the Sustaining Members page on the Appita web site. There is an alphabetical listing of all Sustaining Members, and we include your full contact details, with a short capability statement, and links to your preferred contact email and web site.

In addition to the alphabetical listing we also offer a display advertisement (as a linked PDF file) for a modest annual fee. You can change the advertisement as often as you wish during the year.

Please tick the following boxes regarding inclusion of your company details on the Appita web site:

- I give permission to include contact details and a capability statement on the Appita web site
- I am interested in a display advertisement on the Appita web site. Please send me details.

We agree that as long as we remain a member of Appita we will observe the Rules of Appita Inc.
